

The grass is greener with NSF Super.

Trainers - need help complying with superannuation for your employees?
It's simple with NSF - The Award Fund

We understand you'd prefer to be at the track getting your team up to speed, that's why our team takes care of all the paperwork and regulation changes so your employees' super is kept up to speed. NSF has been the nominated fund for the Australian Trainers' Association (ATA) for many years and has sound returns, no entry, no exit or contribution fees, 90,000 members strong, over 20 years experience and your own personal client services team. NSF takes the headache out of super so you can get back on track and do what you do best!

Australian Trainers' Association (ATA)

ATA Chief Executive John Alducci said, "NSF is the nominated Fund within the Horse Training Industry Award having maintained a high level of service to both Trainers' and their employees"

Benefits of NSF

- NSF takes the complexity out of super to help make it simple!
- We can help reduce paperwork by assisting you with any questions.
- Provide a high levels of service with trained and qualified staff.
- NSF has the knowledge and experience of the horse training industry from working closely with the ATA.
- Free online access allows you to look at your transactions, update details and make payments for your employees online.
- NSF provides your employees with 24/7 insurance for Death and Total and Permanent Disablement cover and Salary Continuance cover.

Making NSF your default fund is a simple 4 step process

- 1** Complete an Employer Application form.
- 2** NSF will co-ordinate member application forms and any necessary paperwork and host an information session (if required). NSF will assist in administering the change in default fund status notice for your employees.
- 3** Provide a list of employee details:
 - Name
 - Tax File Number
 - Address - Residential and Postal
 - Phone and mobile numbers
 - Email address
 - Date of birth
- 4** Commence member contributions.
